Product Details

Product Overview

This angle die grinder has a 90° head making it perfect for reaching tight or angled grinding jobs that inline die grinders just can’t reach. The compact size delivers ultimate mobility and control while working at speeds up to 20,000 RPM.

- Rugged die cast aluminum housing for durability
- Comfort grip reduces vibration
- Rear exhaust directs debris away from the work surface
- Ideal for deburring, grinding, sanding, and polishing

## How We Sell GREAT Tools at the Lowest Prices

We have invested millions of dollars in our own test labs and factories, so our tools will go toe-to-toe with the top professional brands. And we can sell them for a fraction of the price because we cut out the middleman and pass the savings on to you. It's just that simple!

## Do More for Less at Harbor Freight.
